The Institution of Engineers (India), Coimbatore Local Centre and Kumaraguru College of Technology, Coimbatore jointly organized RIGATHON 2020 on 28th February 2020 to 01st March 2020. RIGATHON which is one of the biggest hackathons witnessed by Kumaraguru Institutions, where students with exceptional technical skills gather under one roof to learn and grow in a competitive environment with professional assistance. RIGATHON also encourages learning, growth, innovation, and collaboration among students from various parts of Tamilnadu. We aim to bring in quality technological innovations to hack into real world problems and solve them in an efficient way. **RIGATHON 2020** was a 48 **hour event** with hack shops, master classes and brainstorming sessions on the theme “**BOT IN AGRICULTURE**”. Agriculture has been and continues to be the cornerstone of the Indian economy. Unfortunately, it is losing its prominence and significance over the years. With the rapidly changing scenario of technologies, it is high time we put them to use, to revive agriculture and breathe a new lease of life into it. In several countries around the world, technology has been effectively used to bring about revolutionary hangs in the field of agriculture and allied sectors. Our country, despite making commendable strides in various sectors like infrastructure, automobiles etc. has not yet realized the true potential of the agriculture sector. That is precisely why we chose ‘BOT IN AGRICULTURE’ to be the theme for RIGATHON.

Management's Responsibility for the Financial Statements

The Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Institution in accordance with the accounting principles generally accepted in India, including the applicable Accounting Standards. This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of the Institution and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Institutions ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Institution or to cease operations, or has no realistic alternative but to do so.

The management of the Institution is also responsible for overseeing the Institutions financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:-

P. Devaraj

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of managements use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Institutions ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor' s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor' s report. However, future events or conditions may cause the Institution to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

Disclosure on other matters has been reported in the Annexure-III, annexed herewith along with other observation stated below. Our opinion is not modified in respect of these matters.

P. Devaraj

We further report that:
